

650—36.2 (272D) Issuance or renewal of a license—denial. The board shall deny the issuance or renewal of a license, permit, or registration upon the receipt of a certificate of noncompliance from the centralized collection unit. This rule shall apply in addition to the procedures set forth in the Act.

36.2(1) *Service of denial notice.* Notice shall be served upon the applicant, licensee, permit holder, or registrant by certified mail, return receipt requested; by personal service; or through authorized counsel.

36.2(2) *Effective date of denial.* The effective date of the denial of the issuance or renewal of a license, permit, or registration, as specified in the denial notice, shall be 60 days following service of the denial notice upon the applicant, licensee, permit holder, or registrant.

36.2(3) *Preparation and service of denial notice.* The executive director of the board is authorized to prepare and serve the denial notice upon the applicant, licensee, permit holder, or registrant.

36.2(4) *Licensees, permit holders, registrants, and applicants responsible to inform board.* Licensees, permit holders, registrants, and applicants shall keep the board informed of all court actions and all centralized collection unit actions taken under or in connection with the Act. Licensees, permit holders, registrants, and applicants shall also provide the board copies, within seven days of filing or issuance, of all applications filed with the district court pursuant to the Act, all court orders entered in such actions, and any withdrawals of certificates issued by the centralized collection unit.

36.2(5) *Reinstatement following denial.* All board fees required for application, renewal, or reinstatement must be paid by applicants, licensees, permit holders, or registrants before a license, permit, or registration will be issued, renewed, or reinstated after the board has denied the issuance or renewal of a license, permit, or registration pursuant to the Act.

36.2(6) *Effect of filing in district court.* In the event an applicant, licensee, permit holder, or registrant files a timely district court action following service of a board denial notice, the board shall continue with the intended action described in the denial notice upon the receipt of a court order lifting the stay, dismissing the action, or otherwise directing the board to proceed. For purposes of determining the effective date of the denial of the issuance or renewal of a license, permit, or registration, the board shall count the number of days before the action was filed and the number of days after the action was disposed of by the court.

36.2(7) *Final notification.* The board shall notify the applicant, licensee, permit holder, or registrant in writing through regular first-class mail, or such other means as the board determines appropriate in the circumstances, within ten days of the effective date of the denial of the issuance or renewal of a license, permit, or registration and shall similarly notify the applicant, licensee, permit holder, or registrant if the license, permit, or registration is issued or renewed following the board's receipt of a withdrawal certificate.
